**SUPPLEMENTARY INFORMATION:** Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the correction of an inventory of associated funerary objects under the control of the Robert S. Peabody Museum of Archaeology. The associated funerary objects were removed from the Mansion Inn site, Wayland, Middlesex County, MA.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

This notice corrects the number of associated funerary objects published in a Notice of Inventory Completion in the *Federal Register* (82 FR 44460-44461, September 22, 2017). During preparation of a receipt for repatriation, it was determined that cataloging errors had been made in compiling the original inventory, largely due to objects with duplicative catalog numbers, objects with no catalog numbers, and discrepancies between catalog cards and objects. Transfer of control of the items in this correction notice has not occurred.

### **Correction**

In the *Federal Register* (82 FR 44461, September 22, 2017), column 2, full paragraph 1, sentence 7, under the heading "History and Description of the Remains," is corrected by substituting the following sentence:

The 178 associated funerary objects are 4 adze fragments; 1 axe fragment; 40 bifaces and biface fragments; 22 flakes/debitage; 1 lot flakes/debitage; 1 lot calcined bone fragments; 1 lot charcoal; 1 charred nut fragment; 1 hammerstone; 21 worked and unworked pebbles

and pebble fragments; 23 stone tool fragments; and 62 stone fragments.

In the *Federal Register* (82 FR 44461, September 22, 2017), column 2, full paragraph 4, sentence 1, under the heading “Determinations Made by the Robert S. Peabody Museum of Archaeology,” is corrected by replacing the number “188” with the number “178.”
